

## PICKET FENCE

Create elegant boundaries for weddings, garden parties, and VIP zones with **white picket fence panels**. Available in multiple panel lengths for versatile layouts.

**SKU:** N/A | **Categories:** [Crowd Control & Fencing Solutions](#), [Event Fencing](#)

## PRODUCT DESCRIPTION

Our **white picket fence panels** provide a timeless, decorative solution for defining spaces without compromising on style. Ideal for weddings, outdoor ceremonies, festivals, and hospitality areas, these lightweight yet durable panels are easy to install and deliver a clean, classic look.

Available in **1.0 m, 1.8 m, and 2.7 m panel lengths**, they connect seamlessly to create continuous runs, curves, or custom layouts. Perfect for guiding guests, defining perimeters, or enhancing aesthetics, picket fences are a simple way to elevate any event setting.

### Key Features of Picket Fences:

- Classic **white picket design** for weddings and stylish events
- Available panel lengths: **1.0 m, 1.8 m & 2.7 m**
- Lightweight and easy to handle on-site
- Connects seamlessly to form continuous fence lines
- Quick installation and pack down for efficient event setup
- Stable base supports for indoor and outdoor use

### Ideal Applications:

- **Weddings & Ceremonies** – Elegant aisles and guest perimeters
- **Festivals & Garden Events** – Stylish boundary markers and decorative zones
- **VIP Areas** – Create premium, exclusive spaces
- **Hospitality & Corporate Events** – Add charm and structure to outdoor activations
