

AIR CONDITIONING UNITS

Portable event air conditioning units for reliable climate control.

SKU: 1012230.00 | **Categories:** [Accessories](#), [Event Furniture](#)

PRODUCT DESCRIPTION

Event Air Conditioning Units keep marquees, halls, and temporary venues comfortable in hot Australian conditions. Designed for quick setup, they deliver powerful cooling and airflow, ensuring guests, staff, and equipment stay protected. Units are discreet, efficient, and scalable for both small gatherings and large events.

Features of Air Conditioning Units:

- Portable & event-ready design
- High-performance cooling capacity
- Adjustable airflow settings
- Energy-efficient operation

Ideal Applications:

- Marquee cooling
- Conferences & exhibitions
- Summer festivals
- Hospitality pavilions
