

Q1 LIGHTS

Reliable and versatile, Q1 Lights are a simple yet effective lighting solution for general event illumination.

SKU: 1012172.00 | **Categories:** [Event Furniture](#), [Lighting](#)

PRODUCT DESCRIPTION

Q1 Lights are widely used across festivals, exhibitions, and temporary venues as a **general-purpose light source**. Compact and efficient, they provide bright coverage, making them suitable for service areas, storage spaces, or backstage zones. Lightweight and easy to install, Q1 Lights are a dependable option for ensuring adequate visibility at any event.

Ideal Applications:

- General site lighting
- Backstage & production areas
- Service tents & catering spaces
