

## 1.8M PLASTIC TRESTLE TABLE

A reliable, lightweight trestle table ideal for catering, buffets, exhibitions, or general event use.

**SKU:** 1012098.00 | **Categories:** [Event Furniture](#), [Tables](#)

## PRODUCT DESCRIPTION

The **1.8m Plastic Trestle Table** is a versatile, practical option for event setups. With a sturdy folding frame and a weather-resistant plastic top, this table works well both indoors and outdoors. It's easy to transport, quick to set up, and ideal for catering lines, exhibitor booths, serving tables, or guest seating zones.

Designed for repeat hire, it's durable enough for regular use and simple to clean. When folded, it's compact for storage and transport, making it a go-to in event hire fleets.

### Key Features of the 1.8m Plastic Trestle Table:

- Lightweight but stable for its size
- Weatherproof plastic tabletop
- Folding trestle legs for fast setup & pack down
- Compact when folded for transport & storage
- Suitable for indoor & outdoor use

### Ideal Applications:

- Catering lines & food service zones
- Exhibitor booths & stalls
- Functions & community events
- Workshop tables, registration desks, etc.
