

## 2.4M WOODEN TRESTLE TABLE, FOLDING, 10 SEATS

The **2.4m Wooden Trestle Table** is the largest in the trestle range, seating up to 10 guests — perfect for large banquets, festivals, and conferences.

**SKU:** 1012096.00 | **Categories:** [Event Furniture](#), [Tables](#)

## PRODUCT DESCRIPTION

With its extra-long 2.4m design, this **wooden trestle table** is built for maximum seating efficiency and versatility. It's widely used at weddings, community gatherings, and corporate events where long banquet rows or communal dining layouts are required.

Built from robust sealed plywood with folding steel legs, the table is engineered for repeated event use. Its size makes it ideal not only for seated dining but also for buffets, merchandising displays, or backstage catering setups. For formal occasions, linen is recommended to create a professional finish.

### Key Features of the 2.4m Wooden Trestle Table:

- Seats up to 10 guests
- Extra-long 2.4m design – perfect for banquet rows
- Strong plywood top with edging protection
- Folding steel legs for durability & transport efficiency
- Event-ready and suitable for large gatherings

### Ideal Applications:

- Weddings & banquets
- Corporate functions & conferences
- Festivals & community events
- Catering & buffet layouts
