PRODUCT DESCRIPTION

The Chrome Bar Table offers a clean, modern look with its polished aluminium finish and sturdy design. Built for high-traffic event environments, it's lightweight, weather-resistant, and quick to set up. The round top provides ample space for drinks or light catering, making it ideal for cocktail and networking areas. Perfect for both indoor and outdoor events, this table combines professional presentation with "no fuss" functionality.

Features of the Chrome Bar Table:

- Polished aluminium finish with modern design
- Lightweight and easy to transport
- Stable four-point base for secure placement
- Weather-resistant and easy to clean
- Ideal height for standing guests
- Suitable for indoor or outdoor use

Ideal Applications:

- Cocktail parties & corporate functions
- Festivals & outdoor activations
- Hospitality & networking events
- Event bars, lounges, and catering areas
