

WHITE BISTRO PIPEE CHAIR, STACKABLE

Lightweight, stackable, and durable — the classic **White Bistro Chair** is a versatile choice for casual and large-scale events.

SKU: 1012211.00 | **Categories:** [Audience Seating](#), [Chairs](#), [Event Furniture](#), [Event Seating](#)

PRODUCT DESCRIPTION

The **White Bistro Chair**, also known as Pipee Chair, is the go-to seating solution for festivals, community gatherings, school events, and casual outdoor occasions. Lightweight, stackable, and weather-resistant, it's built for comfort and convenience at any scale.

Made from durable polypropylene, the White Bistro Chair is purpose-designed for large audience setups and quick turnarounds. Its contoured backrest and seat provide comfort during long events, while the stackable frame makes transport and storage effortless. Whether you call it a White Bistro or a Pipee Chair, this reliable all-rounder delivers practicality, safety, and value for every event.

Key Features of the white Bistro Chair:

- Lightweight polypropylene frame
- Weather-resistant and easy to clean
- Stackable for fast setup & pack-down
- Contoured design for comfort
- UV stabilised for outdoor use

Ideal Applications:

- Festivals & outdoor concerts
- School graduations & community events
- Sporting fixtures & spectator seating
- Casual weddings & celebrations
