

3M X 3M HI-TOP MARQUEE

Elegant, eye-catching, and practical — the perfect small marquee for premium events and activations.

SKU: 1012258.00 | **Categories:** [Canopies & Hi-Tops](#), [Marquees](#)

PRODUCT DESCRIPTION

The 3m x 3m Hi-Top Marquee combines strength, style, and versatility with its distinctive peaked roof and aluminium frame. Perfect for weddings, festivals, or corporate activations, the Hi-Top delivers a polished, professional look while offering reliable weather protection.

The raised roofline provides extra internal height and visual presence, making it ideal for high-end activations, VIP zones, or feature installations. Modular and engineer-certified, the Hi-Top Marquee can stand alone or integrate with larger structures to create cohesive event layouts.

Key Features of 3m x 3m Hi-Top Marquee:

- Distinctive peaked-roof design for premium presentation
- 3m x 3m footprint – ideal for activations, lounges & hospitality zones
- Lightweight aluminium frame with rapid setup
- Custom walling – available in white or clear PVC
- Engineer certified – meets Australian event compliance standards
- Modular system – connect seamlessly with other marquees

Ideal Applications:

- Weddings, festivals & private celebrations
- Corporate activations & product launches
- VIP pods, lounges & bar areas
- Boutique markets or brand displays
- Outdoor exhibitions & hospitality decks
