

## 3M X 6M CANOPY MARQUEE

Spacious, modular, and weatherproof — the ideal canopy for larger stalls, catering areas, and event setups.

**SKU:** 1012255.00 | **Categories:** [Canopies & Hi-Tops](#), [Marquees](#)

## PRODUCT DESCRIPTION

The 3m x 6m Canopy Marquee offers twice the space of the standard 3m x 3m unit, providing a versatile and professional shelter for larger activations, catering zones, and event operations. With its flat canopy roof and modular frame design, this marquee combines clean presentation with dependable weather protection for both indoor and outdoor use.

Ideal for market stalls, ticketing points, food vendors, or corporate activations, the 3m x 6m Canopy can be installed as a standalone unit or joined with additional structures to form extended layouts. Quick to assemble and engineer-certified to Australian Standards, it's a safe, functional, and polished solution for any event environment.

### Key Features of 3m x 6m Canopy Marquee:

- 3m x 6m footprint – ideal for larger stalls or dual-use spaces
- Flat-roof canopy design for simple, efficient coverage
- Modular and linkable for extended configurations
- White PVC or clear walling options for flexible presentation
- Pegged or weighted installation for stability on any surface
- Lightweight aluminium frame – easy to transport and assemble
- Fully engineer-certified to Australian Standards

### Ideal Applications:

- Markets & Festivals – cover larger stalls, food vendors, or ticket booths
- Corporate Activations – create branded pop-up spaces or product displays
- Catering & Back-of-House – weatherproof service and prep areas
- Community Events – shade and shelter for public spaces or entry points
- Outdoor Exhibitions – flexible footprint for displays and demonstrations
