AVENUE CHAIRS

Professional Grade Temporary Chairs

Avenue Chairs are a professional-grade, foldable event chair designed for high-volume seating at festivals, stadium shows, concerts, and large-scale gatherings.
Built with an interlocking lug system, each chair connects to the next for secure, uniform rows that meet safety and crowd-control requirements.
Lightweight, stackable, and fast to deploy, Avenue Chairs are ideal for both indoor and outdoor use. The seat and backrest are moulded from high-density polypropylene with a powder-coated steel frame, providing strength, comfort, and long-term durability.
All chairs are M2 fire-rated, compliant with Australian event safety standards, and suitable for venues requiring certified flame-retardant seating. Only white chairs are available.

APPLICATIONS:

- Professional-grade event chairair
- Foldable, lightweight, stackable
- M2 fire-rated
